

We've Heard You're Looking to Sell

Detroit Condos, Lofts & Townhomes

Look No Further

We Have Something To Prove

We believe that it is time to give the process of buying or selling a condo or co-op the creative attention it deserves. The Beanstalk team operates under the belief that who handles the sale or purchase of your home is one of the most significant decisions you will ever make. Why, then, is the choice of which firm to work with frequently an afterthought? The process should be memorable, enjoyable, and financially rewarding, and that begins with engaging Beanstalk to guide you every step of the way.

Our team members at Beanstalk excel in helping our clients navigate the unique nuances of Detroit's thriving condo and co-op market. We can't wait to put our insight and expertise to work for you.

Step of the Way

The Passion Comes From Within

Beanstalk uses real-time analytics and attentive service to deliver memorable experiences for condo and co-op purchasers, sellers and investors.

At the heart of our approach is building strong relationships with clients, understanding their unique needs, and working collaboratively to achieve the best possible outcomes.

Whether it's helping a first-time buyer find the perfect starter, guiding an investor through a complex transaction, or advising a seller on how to maximize their property's value, we exceed expectations.
